Hi Brad, Elizabeth, Jill & Lisa – please use the attached version of the Forest Service comments on the SOW instead. The attached document reflects the revised comments that we sent to EPA on Oct. 29. Thanks.

Thanks for these Elizabeth. We had not previously seen them, but will review them over the weekend and be prepared to address on Monday, along with the State and Shoshone Bannock comments.

What we have from the Forest Service (Gary) are red-line comments on the SOW. What we have from the Tribe (Jill) and State (Lisa) are summary comments. Were there red-line comments to the draft submitted by the State or the Tribe?
